

# SHOP EARLY, SHIP EARLY

ARE YOU PREPARED FOR ASIA PACIFIC'S BUSIEST SHIPPING SEASON?

**The Shipathon is here - and FedEx is ready to help you navigate it!**

As the world remains affected by COVID-19, this peak season will be unlike any before. Holiday shipping is expected to break records - it's going to be a real shipping marathon!

We're calling it, 'The Shipathon'. We're in great shape to help e-commerce and small businesses get a head start.

**Mondays between Black Friday and Christmas Eve are expected to be among the busiest in FedEx history**

**13M** normal average daily volume

**26M** forecasted average daily volume for three Mondays during holiday season

The race has begun. We've been training hard for the highest online shopping and shipping volumes ever predicted. Let's warm up together for the marathon ahead!

**Why you should shop early and ship early this year**

Speed ahead of delays and be ready to meet consumer demand

The earlier you prepare, the more you and your family can relax and enjoy the festivities!

Leap over holiday hurdles with FedEx Delivery Manager - even more control of shipments for you and your customers

**Need help? Lean on the power of the FedEx global network**

Connecting more than 220 countries and territories

More than 375 airports served worldwide

More than 125M package - status tracking requests daily

Expanded operational strength especially for peak

1 APAC hub in Guangzhou, 3 Regional Hubs in Osaka, Shanghai and Singapore to support

**WE ARE ON YOUR TEAM.**

**We're here to keep your business moving this peak season**

**29K+**

APAC team members

**650+**

aircraft

**160K+**

vehicles

**And to all our customers in Asia Pacific - HAPPY HOLIDAYS! See you at the finish line!**
