

# OUR NETWORK HAS EXPANDED

More connected than ever from Asia Pacific to the world!

We're increasing the **number of flights we operate to better serve our customers**. Greater capacity and connectivity mean greater access to more global trade opportunities.

**The runway is set.**

## APAC businesses: prepare for take-off!

**4** All-new intercontinental flights launched

**42** New inbound and outbound flights per week with capacity to carry almost **1,400 tons**

Around **200** flights in and out of Asia Pacific every week to **Europe & trans-Pacific**

Our new flights cover key trade routes and hubs in **Asia Pacific, Europe** and the **U.S.A.**: a major boost for exporters across the globe!

## Are you ready to connect to export opportunities?

**E-commerce is booming.**  
Our customers are already stepping forward to take advantage – and we're helping to pave the way.

Improved access from Asia Pacific to 45 European countries and territories reaching 450 million people

Enhanced flexibility, capacity and service to harness global export opportunities out of Asia Pacific
